Subject: Assignment 1 and Recommended Due Dates have been posted

Dear Class:

I have posted Assignment 1 on Lecture Unit 1. I have also posted recommended due dates for all virtual attendance and assignments. Recommended due dates are exactly that. The final due date for everything remains Friday May 14, 2021 as previously announced. There is no penalty for missing the recommended dates except that it would put you behind a realistic schedule.

I have not received any virtual attendance from some students. If you are in doubt as to what is required, it would be best to submit for at least one module so I can give you feedback. You are also welcome to reach out to talk to me.

Look forward to hearing from you.
